

Round 2: Task Guidelines

Timeline: T- 0

Dance is a crucial category of competitive events under the “Cultural Events” vertical of the fest. Each year, our focus has been to introduce some aspect to these events that is both challenging for participants and exciting for audiences to witness.

D-Day is here! Give the detailed, step-by-step execution plan along with the timeline for any two dance events conducted in MV with proper budget estimates wherever applicable.

OR

Your main-stage event ‘Imperio’ starts in one hour and all that could go wrong has happened:

1. It has just stopped raining and you need to get the stage ready 2. The rains have driven the audience away!
3. One of your local participants tells you he is stuck in traffic and won't be able to reach within an hour

The fest pro-nite is scheduled to happen just after your event, so you do not have the option of delaying/postponement. Come up with contingency plans for the above-mentioned problems.

These guidelines are not binding, so please feel free to include other details which are important for the event to be successful. Our only advice is to keep your task submission brief and precise, without compromising on attention to detail.

Final Deliverables:

A Word Document or PDF file (Maximum 2 Pages)/ PPT (max. 6 slides) covering all necessary details.

In case of any queries, please contact: Anshika | Sajith

We hope you enjoy the task! All the best!
