

Round 2: Task Guidelines

Timeline: T-0

Let's talk business!

Management Events are the National-level Business competitions organized for the B-school & corporate community. It is further categorized into Flagship Events, Domain Events, Online Events, Case Studies and On the Spot Events. The vertical witnesses participation from Top B-schools of India and hosts case competitions for top corporates such as ITC, Tolaram, Devyani International, Hero MotoCorp, and many more.

D-Day is here & multiple Management Events are happening simultaneously. Given that 5 different events are happening on MV Day-1, create a checklist that would help you to run the show smoothly.

Deliverables:

- Submission in the form of a Word document or Excel sheet

Expectations:

- Itemized checklist of what all items/people/places you'll need
- Thinking down to the smallest detail possible

Note: Make reasonable assumptions wherever necessary. Feel free to add any other details (over and above the expectations) that you might deem relevant. The write-up should be in a bulleted format. (for Word)

P.S.: Brownie points for detailing & variety. Surprise us!

We hope you enjoy the task! All the best!
