

## Round 02: Task Guidelines

**Timeline: T-10**

Manfest–Varchasva is a 3-day long Annual Business, Cultural and Sports fest, which hosts various events. The operations team is integral in ensuring end-to-end management of logistics of all the events. It is the responsibility of the Operations vertical to ensure flawless execution of events and smooth conduct of the fest by taking care of Administrative Activities, Infrastructure, Inventory and Vendor relationships.

The operations team oversees the inventory, and in a fest like Manfest-Varchasva with a varied portfolio of activities, a wide range of items need to be stored in the inventory.

**Task:****Deliverables:**

- Come up with the requirements of all the verticals of MV. Create a list of all items to be stored in inventory to manage Cultural, Management and Sports events.
- Prepare an excel to show the money required to procure all the inventories stated above.
- Design a supply chain system which will help facilitate the quick transfer of equipment across all venues. You are encouraged to make the supply chain as detailed as possible.
