Round 2: Task Guidelines

Timeline: T-0

JashN, the Fashion Parade is one of the most scintillating events of the fest, one that ups the glamour quotient of the fest. Each year, our focus has been to introduce some aspect to this event that is both challenging for participants and exciting for audiences to witness.

Develop contingency plans for the following:

1. The showstopper for the fashion parade, also the judge of the event misses his/her flight and you have 2 hours to go for the event with participants already getting set for the show.
2. A participating team realizes half an hour before their performance that their costumes have been sabotaged by a competing team.
3. Three of your top performing teams cancel at the last hour.

Our only advice is to keep your task submission brief and precise, without compromising on attention to detail.

Final Deliverable:

A Word Document or PDF file (Maximum 2 Pages)/PPT (max. 6 slides) covering all necessary details.
