## Round 2: Task Guidelines

**Timeline:** T-10

*One of our most successful verticals is the "Literary Events" vertical. We organize a marathon of events such as literary puzzles, JAM, dumb charades, 20 questions under the umbrella event- Gauntlet. And then we have our flagship debating event, "The Joust" for the verbose! And as you can tell, literary events are incomplete without trivia. So we have a – Quiz Coliseum. You can click on the following link to check out our events from last year: <http://iiml-manfestvarchasva.com/>*

**Conceptualize 5 different rounds for Gauntlet** and design the execution plan for all the events of last year from start-to-finish with sufficient detailing.

- Options for the venue of the event
- Brief outline for popularizing the event and garnering participation from local and outstation colleges
- Manpower Planning – Estimated number of volunteers that would be required for the smooth execution of the event
- Cost estimates – Including but not limited to logistics cost, additional costs that may be incurred (stage set-up, sound and light)
- Timeline for execution – includes pre- and post-fest

Also, include 3 potential sponsors and arrange for their POC.

These guidelines are not binding, so please feel free to present your event in the way you like. Our only advice is to keep your task submission brief and precise, without compromising on attention to detail.

### Final Deliverable:

A Word Document or PDF file (Maximum 2 Pages)/PPT (max. 6 slides) covering all necessary details.
