

# MANFEST-VARCHASVA

IIM Lucknow's Annual Business, Cultural & Sports Fest

CORE COMMITTEE SELECTIONS

## Round 2: Task Guidelines

**Timeline:** T- 10

Participation and Hospitality is the heart of the fest, as it is both the quality and quantity of participants that defines the success of the fest as the flagship fest of IIM Lucknow. Business leaders, students, alumni, academicians, corporates, NGOs, professional artists from different corners of India dot the entire landscape of IIM Lucknow during the 3 days. To add to it, the participation in online events, off campus case study competitions, and initial rounds of several events, takes the entire participation at the fest to gigantic proportions year after year.

### Accommodation plan

After more than 100 days of publicity covering the entire country and multiple B-Schools abroad, the team is all set to shift from the 'Participation' phase to the 'Hospitality' phase. In winters to accommodate everyone within the campus is a big challenge. You need to design an accommodation plan for the participants and guests within the campus.

### Final Deliverables:

- Give a list of required resources, available places for accommodation within campus with capacity and manpower requirement for the setup.
- Devise a process for accommodation allocation of participants
- Develop an inventory movement plan with the above details
- Timeline for the whole process

**Note:** Make reasonable assumptions wherever required with rationale.
