IIM LUCKNOW'S

16TH-18TH NOVEMBER

MANFEST-VARCHASVA 2018

THE ANNUAL BUSINESS, CULTURAL & SPORTS FEST

"Few false ideas have more firmly gripped the minds of so many intelligent men than the one that, if they just tried, they could invent a cipher that no one could break."

- David Kahn

Reel back to the yesteryears – The 18 th Century "Legend of Olivier Levasseur", "Poe's Challenge" in the 1800s, "The Case of the Zodiac Killer" in the 1970s. All undeciphered ciphers. Bet you could crack it like Holmes were you delegated on these cases? Do you subscribe to the Bruce Schneier school of thought? The one that says any person can invent a security system so clever that he or she can't imagine a way of breaking it.

If you settle down with an episode of "Criminal Minds" over the weekend or find yourself playing the likes of "Ace Attorney" and "The Vanishing of Ethan Carter", then we have just the right thing in store for you.

With 7 Sins to Hell, Manifest-Varchasva presents to you an exciting experience where you race against time and fellow 'sleuths' to lay your hands on the final treasure. Decipher clues, crack the codes and move on to the next puzzle until your conquest. No cakewalk this is, mind you! Rattle your brains already...sharpen your wits, for that's all you can bank upon over the 50 hours of your game. Prove your mettle and win cash prizes. Why sit back then, giddy up – fasten your seatbelt, breathe in deep, hit the register button and enjoy the roller-coaster ride that is to follow.

PRIZE MONEY WORTH: INR 15,000

Winner: INR 7,000

First Runner Up: INR 5,000 | Second Runner Up: INR 3,000
