IIM LUCKNOW'S

16TH-18TH NOVEMBER

MANIFEST-VARCHASVA 2018

THE ANNUAL BUSINESS, CULTURAL & SPORTS FEST

UPSDM AMLAN

Of all the aspects of social issues nothing is as troublesome as unemployment. It diminishes people. On one hand where our economy is the sixth largest in the world, the grave situation of unemployment and inequality is a bottleneck in the path of India's success story. As highlighted in the economic survey 2017-18, the dismal participation of female workforce is alarming as per the world's standards.

Manifest-Varchasva in association with UPSDM brings to you a case study on these impediments in our growth story. Participate and solve the key issues of unemployment, high attrition rates and low wages, challenges in delivering vocational training and roadblocks in collaborating with private players. It's time to come forward and be a part of this journey.
