## ITC Call for Arms

Many-a-kingdoms have risen and found glory. Many were razed to the ground; never to be spoken of, ever again. All in the name of pride, honor and prestige. All for swearing allegiance. So what happens when the best B-schools of the country are pitted against each other? It turns into a battlefield.

Manfest-Varchasva and ITC Limited bring to you "Call for Arms", the honorary battle royal between institutes. A test of intellect and grit coupled with a fine knowledge of management concepts in the field of finance, supply chain, marketing, operations and HR. The event, spread across two rounds will test the teams' prudence wherein winners of online rounds will be invited on campus for the final face-off.

With exciting cash prizes and a grand title at stake, hold the fort long enough, can you?
