THE ANNUAL BUSINESS, CULTURAL & SPORTS FEST

16TH-18TH NOVEMBER

UPSRTC PITSTOP

What if you could actually save lives? What if your ideas aren't mere reports on a word doc but can actually affect the lives of people?

In a world where every path is being transformed into a road, there is a grim reality which cannot be denied. 1.2 million lives are lost every year in road accidents. Fun Fact: The risk of death by crash can be reduced by 61% just by using the seat belts correctly thus reinforcing the fact that little things have a bigger role to play.

Manifest-Varchasva and Uttar Pradesh State Road Corporation bring you an opportunity to take the driver's seat and turn on those headlights on the little things left in the dark. Gear up for a ride of strategic decisions and marketing marvels to promote road safety.

Safety is not automatic, let's think about it.
